

### Ecobee3 WIFI

**\$454 (\$45 savings)**

With the Ecobee 3 you can monitor and control this thermostat anytime, anywhere. Ecobee3 remote sensors deliver the right temperature in the rooms that matter most.

### Nest WIFI

**\$389 (\$110 savings)**

Nest learns what temperatures you like, turns itself down when you are away and connects to your phone. Large, sharp display proven to save energy. Independent study showed an average of savings 10-12% on heating and 15% on cooling.

### Bryant Legacy WIFI

**\$295 (\$45 savings)**

About more than giving you remote access. It will save you money on energy through advances in programming design, smart recovery and energy use reporting. When you're not home, this thermostat will work to heat or cool the most efficient way.

### REME Halo

**\$894**

Designed to eliminate sick building syndrome risks by reducing odors, air pollutants, VOCs, smoke, mold, bacteria, and viruses. Creates clean air and odor elimination.

### Ecobee Sensors

**\$79**

Detect occupancy and temperature to deliver comfort. Communicates with the thermostat wirelessly. Addresses hot and cold spots in the home. The more sensors the smarter the Ecobee becomes. Add up to 32.

### Outside Security Camera

**\$252**

24/7 Live HD video 130 degree angle. Alerts and snapshots when activity is detected. Waterproof built-in speaker and microphone allows you to listen and talk through the app.

### Inside Security Camera

**\$215**

24/7 Live HD video 130 degree angle. Alerts and snapshots when activity is detected. Night vision, built-in speaker and microphone allows you to listen and talk through the app.

### Nest Smoke/CO2

**\$242**

Send an alert to your phone if the alarm goes off or the batteries run low. Tells you if there's smoke or CO and where. Alarm you can hush from your phone. Uses two wavelengths of light to look for fire. 10-year carbon monoxide sensor.

### Upgrade 1" Filter

**\$278**

Whole home air cleaner. Removes harmful, airborne particles from your indoor air. Creates healthier, more natural, indoor air environment. Change filters every 3 months instead of monthly.

### Advanced Air Cleaner

**\$395**

Removes particles as air travels through your ductwork. Cleans up to 75% of the .3-1.0 micron sized particles with long lasting Merv 10 filter. Air in your home will be healthier to breath.

### AC Cover

**\$65**

Adjustable AC & leaf debris protector. Secures to the unit with heavy-duty elastic bands and makes spring cleaning easy.

### Unit Surge Protector

**\$275**

Protects equipment from damaging electrical surges and lightning strikes. Which saves you from costly equipment repairs. Comes with industry leading warranty.

## Value Plus Program

**\$204**

Properly maintained equipment helps you save money on operating costs and can help identify problems prior to them becoming big problems. Plus you will receive priority service.

## Dryer Vent Cleaning

**\$122**

Dryer vents are the second leading cause of fires in the home. These fires are preventable with proper maintenance. Having your dryer exhaust vent cleaned will reduce the risk of fire, reduce energy costs/utility bills, and reduce drying times.

## Outside Water Spigot

**\$178**

Crown Wheel can change your outdoor spigot. Faulty spigots can lead to flooded basements or high water bills. Get some piece of mind and check an item off of the to do list.

## Sump Pump

**\$390**

Zoeller Sump Pump 3 Year Manufacturer warranty. Corrosion resistant, no screens to clog. Check valve not included. Typical life of a sump pump is 10 years, we suggest replacing them after 8 years to avoid problems.

## AC Renew

**\$215**

Reduces energy cost. Improves cooling performance. Enhances the lubrication resulting in lower energy consumption, longer equipment service life, and less noise.

## Compressor Saver

**\$137**

Extends the life of our air conditioner compressor. Reduces "light flicker" when air conditioner starts. Reduces start time to save money on electric bills.

## Sure Switch

**\$225**

5 year warranty. Sealed to keep out ants and debris. Protects from power fluctuation and short cycling.

## AC Saver Kit

**\$430**

Purchase all three AC Renew, Compressor Saver, and Sure Switch and Save 25%!

## Sump Pump Alarm

**\$278**

You normally wouldn't know that your sump pump or ejector pump is out until it is to late. A sump pump alarm will give an early warning that the pump or float is not working. This is done by giving an alarm similar to a smoke detector.

## Tankless Water Heater

**\$2700**

Never run out of hot water. Tankless water heaters are more efficient with no standby heat loss, take up less space, can be installed on walls, and last 5-10 years longer than tank heater.

## Whole House Surge

**\$425**

Voltage transients, large and small, can damage electrical equipment instantly or will degrade the components on the circuit boards over time, resulting in shorter life of electrical equipment

## Evaporator Cleaning

**\$50**

Most evaporators never get cleaned. This is an area that can get mold growth or dust build up that will cost you efficiency or even damage equipment. We can clean and disinfect your coil for half the cost.
