

## Ecobee4 WIFI

**\$454 (\$45 savings)**

With the Ecobee 4 you can monitor and control this thermostat anytime, anywhere. Ecobee4 remote sensors deliver the right temperature in the rooms that matter most. Comes with built-in Amazon Alexa Voice Service.

## Nest WIFI

**\$389 (\$110 savings)**

Nest learns what temperatures you like, turns itself down when you are away and connects to your phone. Large, sharp display proven to save energy. Independent study showed an average of savings 10-12% on heating and 15% on cooling.

## Bryant Legacy WIFI

**\$295(\$45 savings)**

About more than giving you remote access. It will save you money on energy through advances in programming design, smart recovery and energy use reporting. When you're not home, this thermostat will work to heat or cool the most efficient way.

## Ecobee Sensors

**\$79**

Detect occupancy and temperature to deliver comfort. Communicates with the thermostat wirelessly. Addresses hot and cold spots in the home. The more sensors the Ecobee becomes. Add up to 32.

## Smoke/CO2 Detector

**\$242**

Send an alert to your phone if the alarm goes off or the batteries run low. Tells you if there's smoke or CO and where. Alarm you can hush from your phone. Uses two wavelengths of light to look for fire. 10-year carbon monoxide sensor.

## Outside Security Camera

**\$252**

24/7 Live HD video 130 degree angle. Alerts and snapshots when activity is detected. Waterproof built-in speaker and microphone allows you to listen and talk through the app.

## Inside Security Camera

**\$215**

24/7 Live HD video 130 degree angle. Alerts and snapshots when activity is detected. Night vision, built-in speaker and microphone allows you to listen and talk through the app.

## Humiditreat

**\$42**

This water filter goes on the water line to your humidifier and keeps the evaporator from scaling up. The less scaling on your pad the better the unit will humidify your home. Your humidifier will work better through winter and it will keep your drain from clogging. It is changed each season

## Upgrade 1" Filter

**\$278**

Whole home air cleaner. Removes harmful, airborne particles from your indoor air. Creates healthier, more natural, indoor air environment. Change filters every 3 months instead of monthly.

## Advanced Air Cleaner

**\$395**

Removes particles as air travels through your ductwork. Cleans up to 75% of the .3-1.0 micron sized particles with long lasting Merv 10 filter. Air in your home will be healthier to breath.

## AC Cover

**\$65**

Adjustable AC & leaf debris protector. Secures to the unit with heavy-duty elastic bands and makes spring cleaning easy.

## Humidifier

**\$750**

This Humidifier quietly and evenly distributes moisture and provides whole-home comfort. The high-capacity operation of this humidifier can even help keep your winter heating costs down.

## Value Plus Program

**\$204**

Properly maintained equipment helps you save money on operating costs and can help identify problems prior to them becoming big problems. Plus you will receive priority service.

## Dryer Vent Cleaning

**\$122**

Dryer vents are the second leading cause of fires in the home. These fires are preventable with proper maintenance. Having your dryer exhaust vent cleaned will reduce the risk of fire, reduce energy costs/utility bills, and reduce drying times.

## Outside Water Spigot

**\$178**

Crown Wheel can change your outdoor spigot. Faulty spigots can lead to flooded basements or high water bills. Get some piece of mind and check an item off of the to do list.

## Sump Pump

**\$390**

Zoeller Sump Pump 3 Year Manufacturer warranty. Corrosion resistant, no screens to clog. Check valve not included. Typical life of a sump pump is 10 years, we suggest replacing them after 8 years to avoid problems.

## Sump Pump Alarm

**\$278**

You normally wouldn't know that your sump pump or ejector pump is out until it is too late. A sump pump alarm will give an early warning that the pump or float is not working. This is done by giving an alarm similar to a smoke detector

## Tankless Water Heater

**\$2700**

Never run out of hot water. Tankless water heaters are more efficient with no standby heat loss, take up less space, can be installed on walls, and last 5-10 years longer than tank heater.

## MoldMiser Max

**\$894**

This is an Ultra Violet Coil Purifier designed to kill and control surface molds, mildew, virus, bacteria and other microbial in your system. Ideal for Gas Furnace/AC Systems

## Oxy 4 AirPurifier

**\$894**

Highly effective oxidative air cleanser to help reduce odors, air pollutants, VOCs, smoke, mold, bacteria, & viruses. Creates clean air & odor elimination, Very helpful for those with higher levels of humidity

## EcoTech Rescue Motor

**\$633**

An upgrade for those with a standard motor. These have a longer life, a quieter motor, are more efficient and can move more air. Save \$100 off our standard price

## Unit Surge Protector

**\$275**

Protects equipment from damaging electrical surges and lightning strikes. Which saves you from costly equipment repairs. Comes with industry leading warranty.

## Foobot

**\$225**

This is a control that will connect to a nest or ecobee thermostat and tell you the air quality in your house. The information is tracked through an app on your phone. Foobot measures VOCs, humidity, temperature, and CO. This unit can be set to alert you when one of these are out of range.

## Alpha 1 Pump

**\$489**

An energy efficient circulator with 3 constant pressure control modes, an LED display and easy to use push button controls. It is the perfect solution for domestic hydronic heating and hot water recirculation applications
